Dear Ms Giannakopoulos,

Thank you for the minutes of this meeting of the Coogee Precinct. The Council notes the contents of these minutes and I am able to provide you with the following information in response to resolutions of the meeting.

Resolutions 32/12, 33/12, 34/12, 35/12, 36/12

Council's response to the resolutions above was responded to on 20 July 2012, after the Precinct's July meeting.

Resolution 37/12

DA 534/2011 was approved at the Ordinary Council Meeting on 24 July 2012.

Resolution 38/12

The NSW Government released a Green Paper last month that outlines changes to the existing the planning system, currently guided by the Environmental Planning and Assessment Act, 1979. The community and councils have been invited to make submissions on the Paper. The NSW Government will be considering submissions received as part of the subsequent White Paper. Further consultation is proposed as part of the White Paper and it is envisaged that legislation to introduce a new planning act will be considered by the NSW Parliament in early 2013. Council's planning staff are reviewing the Green Paper and preparing a Council submission prior to the closing date for making submissions. The Coogee Precinct's July resolution on the Green Paper has been noted and will be incorporated into the submission.

Yours faithfully,

Amanda Mather  
Precinct Coordinator
